

Dogwerks Way Trainer's Course - Application Questions

Please answer each question and fully as possible. Use more space as needed. Remember - there are no right answers, this is about you.

1. Tell us about your experience with dogs if any.

2. List three adjectives that describe yourself.

3. What do you think about dogs sleeping in bed with their owners?

4. How would you respond if a dog growled at you?

5. Do you think that a dog that has bitten a person should be euthanized?

6. Are there any circumstances under which a dog should be euthanized for a behavioral problem?

7. Do dogs feel guilty when they do wrong?

8. Do dogs act in ways intended to frustrate/anger people?

9. What would you do if you were introducing a dog to a leash for the first time, and he lay down and played dead?

10. If a dog is acting aggressively, is he demonstrating dominance?

11. What characteristics do you associate with good leadership?

12. When problems occur between humans and their dogs, which species is most often responsible?

13. Do you watch 'The Dog Whisperer'? If so, what are some of your reactions?

14. Can all dogs be trained the same way?

15. Are any dogs untrainable? If so, what behaviors might indicate this trait?

16. How do you feel about dogs spending time in a crate?

17. Is it fair to keep a big dog in a small apartment?

18. What is your opinion about legislation that bans the ownership of certain breeds of dogs?

19. Should all dogs be spayed or neutered?

20. What qualities and practices make someone a responsible breeder?

21. Can a dog be trained to change behavior at any age?

22. Is the age of the trainer a consideration in the training process?

23. Will a trained dog respond to all family members?

24. How should children be included in the training process?

25. Is there anything you would like to tell us about yourself and dogs?
